PRESIDENT'S MESSAGE

As we close out 2016, I am humbled by the generosity and commitment of our club members. Our ability to support the youth of the community is only as strong as the collective will of the club. The best message I can think of to begin the new year is to remember, our creed is not just something written on a piece of paper or banner. It should be a way of life. Ask yourself, are you living by the creed? If not, it makes for a pretty good New Year's Resolution I'd say! Thanks for everything and see you in January!
