From The President Jack Ross

The other day a friend complained, "This week is slipping away too fast." My reply was, "My life is slipping away too fast." Do you ever have that feeling? I'm not really complaining because I am truly blessed. One of those blessings is working with Optimist. It has been a privilege to work with a fine group of dedicated people since I joined Optimist Club in 2013. I have made great friends and brought a couple of my friends into the club. The last two years as President have been fun but challenging. I discovered the people in the club have it all under control. One just has to step back and watch as each person steps up and handles their event. I am especially thankful for Ellen Parker who kept me on track in the board meetings. What a great group. Thanks for letting me be a part of it.

Notes of Interest to Club Members:

1. Jeff Marion has stepped down as Newsletter editor. Bob Beckman has volunteered to handle the job for August and September and Jack Ross will take over in October.
2. Fred McGinley is unable to serve as President-Elect for the term starting in October. We need a replacement as soon as possible. Please consider stepping into the position.
3. There is a Fourth Quarter Optimist Convention in Columbia, MO on August 9-11. No one on the board will be attending so if someone would like to represent St Charles, contact Jack Ross or Ellen Parker ASAP.
4. Alison Griffith is the new coordinator of our Optimist social media. If you have pictures or information for events please email them to Alison. (agriffith@stchlibrary.org)

St. Charles County Fair Beer Garden, by Dale Westby:

Our Club started volunteering to serve beer at the St. Charles County Fair in 1972. This was at the old St. Charles County Fair Grounds, which was located at Fairgrounds Road near the City of St. Charles. When the Fair Grounds land was sold, the County Fair was moved to the old St. Charles Speedway on Hwy 94 South for a few years where our Club continued to volunteer. During that time, the Fair Board attempted to purchase land near Cottleville. When that purchase was denied by the local residents, our club donated \$10,000 to the Fair Board to go toward the purchase of land. In the Auction Barn at the current Fair Grounds at Rotary Park in Wentzville, a sign is posted designating the Optimist Club of St. Charles into the "Circle of Honor". I have been told by officers of the Fair Board that had it not been for our generous donation, the Fair may not exist today. Our club donation sparked many other donations that enabled the County Fair to grow and develop into a 5 day event with many activities. Our Club has continued to serve in the Beer Gardens throughout the years.

As chairman of the St. Charles County Fair Project, I want to express my sincere thanks to each of the seventeen faithful Optimist Members that worked our booth on July 25, 2019. By donating our time for this project, we are able to help support between 500 to 600 youth in St. Charles County.

Members volunteering this year were as follows: Dale Westby, Bob Beckman, Rich Krill, Dave Borgmeyer, Rick Pundmann, Gerry Prinster, Sharon North, Mike and Julie King, Ernie Dempsey, Alison Griffith, Carl Sandstedt, Kathy Lohmann, Fred McGinley, Dean and Mary Krogmeier and Paul Hauser. A very special thank you to Tyler King, son of Mike and Julie King, who also volunteered. Not only was Tyler a great worker serving our customers, but he assisted in lifting the many half-barrels of beer which needed to be changed and moved in the refrigerated trailers. Thank you again, Tyler, you are a great young man.
