The annual golf tournament was a success again this year thanks to the efforts of the chairpersons and the many volunteers. It was a threatening day weatherwise; however, Bear Creek provided excellent accommodations and the course was ready for the players. Because of the participants, sponsorships and our volunteers the club realized a profit of \$2700.

Dave Borgmeyer, Missy Palitzsch and Joe Kloeppel organized the event and helped insure its success. Members who played an important part in the success of the day were: Bob Avery, David Borgmeyer, Clark Cilek, Mark Cook, Roger Deppe, Mike Ebert, Gerry Kloeppel, Joe Kloeppel, Lourdes Kroll, Fred McGinley, Gerry Prinster, Clara Scott, and Ralph Sundermeier.

The purpose of the luncheon is to honor the principals for all they do for the youth of our community and to let them know about the many programs available to their students provided by the St. Charles Optimist Club. You will want to attend this important luncheon. The luncheon committee is meeting at the St. Charles Bread Company on Thursday, July 7th at 8:00 a.m. if you are interested in attending.

ONE LAST WORD...

As a courtesy to our speakers and fellow members, please turn off or set to silent mode your cell phone and control conversations during the guest speaker's presentation. As a fun way to increase donations to the OI Can, we are asking members to donate \$1 each time their cell phone rings during the meeting. Your cooperation is greatly appreciated.
