The Installation Dinner was chaired by President, Fred McGinley, who shared with the audience his thanks for the club members' cooperation and support during his tenure. He delineated the many jobs and assignments that were handled so well by the chairpersons during the year which helped to make the St. Charles Optimist Club the great club that it is.

The members in attendance gave Fred a standing ovation for the great job of serving as our President for the past two years.

The gavel was passed to our new President, Mike Ebert. Mike challenged the club to continue the great efforts of the past, to focus on the future by enrolling new members and to help carry on the Optimist tradition of being "Friend of Youth" for the next fifty years. Following the dinner and speeches, Retiring President, Fred McGinley conducted the swearing in ceremony.

President, Fred McGinley congratulates "Optimist of the Year" Roger Deppe
