PASSING THE GAVEL

It was with mixed emotions that Jerry Reese passed the gavel to in-coming President, Dr. Jeff Marion. He did say it was mostly an emotion of relief but he expressed how much he appreciated the support of the membership to help make his year as president a rewarding experience for him and a great effort for the youth of St. Charles.

PRESIDENT'S MESSAGE

I am excited to serve as President of the Club this year and look forward to working with all of you to serve the youth of our community. Please join me in thanking Past President, Jerry Reese, for his year of outstanding service. He has been very gracious in helping me acclimate to the new position. I am hoping that we can grow our club even more this year, so please be thinking about friends and family who may be interested in membership. New members under the age of 30 can join for a mere \$30. Also, please make a commitment to volunteer for at least two events this upcoming year. Our club is only as strong as the service provided by its members. I hope to look for ways members can become involved, even if they are unable to attend lunch meetings and/or weekend events. Thanks for all you do to support our youth and remember, always remain Optimistic!

Cyndy Schwab, Lt. Governor for our region, swore in the new officers for 2015-2016 Optimist Year at the Installation Banquet on Wednesday, September 23rd.

OPTIMIST OF THE YEAR

President, Jerry Reese announced that the "Optimist of the Year" for 2014-2015 was Mark Cook. Jerry expressed his appreciation for Mark's assistance and his efforts to help him throughout the year and his willingness to pitch in wherever a need arose.

WELCOME TO OUR NEWEST MEMBER

Paul Heid

INSTALLATION BANQUET

The banquet this year was enjoyable and gave members an opportunity to reflect on achievements of the past year and to recognize our new officers and board members. It was especially good to see so many spouses in attendance. Pio's always comes through with tasty food.

Check out page two to see 30 optimist people.
