**PRESIDENT'S MESSAGE**

We want to wish all of our members and their families a Happy New Year. It is our hope that 2015 will bring much happiness and peace to you and your family.

During the month of January we will be putting together the final list for all of our projects for 2015. We really need people to step up and agree to help with these projects. We cannot do these projects without your help. We will have a sign up list at the next meeting along with the names of those who have already agreed to help.

Car seats were purchased for the CASA group and will be presented this month. These seats will help the volunteers to assure the children's safety when they are being transported to different locations.

At the January board meeting, we are going to be setting up a membership drive committee. We really need to reach out to the community and try and bring in new members to our club. One of the challenges that I am going to make to our membership is that everyone brings at least two guests to our club during the next six months. If we do this and introduce them, maybe we can increase our membership. Any thoughts and ideas will be more than welcome.

**WELCOME TO OUR NEWEST MEMBERS**

Angela Fowle and Ruth Guthey
