GOLF TOURNAMENT WAS ANOTHER SUCCESS

Things are ready for check-in thanks to the many optimist volunteers. Larry and Jean made a good first impression.

"CHILLIN"

Thanks to the efforts of Mark Cook, the club now has a refrigerator to store our food items between events.

Thanks to Paul Hauser for letting the club share his storage area to house the refrigerator along with various optimist supplies and materials

The golf carts are load and ready to start the day. Dave Borgmeyer reports that 52 golfers participated. Nine optimists who were not playing volunteered their time to make the day a success. Special thanks Lori Wooten for stepping in at the last minute. \$3,754 was realized as profit

Mark and Paul have made great progress in organizing, storing and protecting our optimist items.

2017

Forty-eight friends from Community Living participated in this year's event. We had ten volunteers from UMSL join twenty club members to assist with the activities of the day. Thanks to the volunteers and club members.
