PRESIDENT'S MESSAGE

Today as I review the activity sign-up sheets, there a lot of vacant slots that are going to be filled. We will be calling and emailing members in the near future to try and get these slots filled. Please consider helping as we are only as strong as our members take us forward. Gerry Prinster asked me to consider setting up a Membership Drive Committee and we are going to do this.

If we are going to keep our club going into the future, we need to be looking at the membership and strive to build the club membership. If you have any ideas, we welcome them and also we welcome anyone who will serve on the committee. We need your help. As a member you can sit back, come to lunch, help on a few activities and enjoy the fellowship. As your president, things change and now we are asking members to help us have a successful year. Please feel free to give me any assistance, suggestions or directions you believe that will make us a better club. Thanks for your optimistic assistance. Jerry
