PRESIDENT'S MESSAGE

Member Recruitment

Whose job is it to recruit new members? Mine? Yes, it is but it is also your job. Every single Optimist should be ever alert to bring new members into the club. How do we do that? When is the last time you invited a friend or acquaintance to join you for a free lunch? Free lunch! That will get them in at least one time and they could actually find Optimists are friendly and we have a great cause. So, let us work on this. If you will get them in the door I will see that they get a membership application.

LET'S FILL THIS FOURTH TABLE IN
NOVEMBER.

OPTIMIST OF THE YEAR
