PRESIDENT'S MESSAGE...

August was a tremendous month for fundraising. The Festival was fantastic. Everyone came together to make it a success. Thanks to Fred and Mark for organizing the event and all those who participated.

My how time has flown! Mark Cook will be installed on Friday, Sept 20th at our Annual Banquet and Recognition Banquet.

The only goal we still need to reach is to become "Distinguished" - We are close, so bring in your friends and associates this month. Surely, you have friends and relatives who would like to help us be a "Friend of Youth" in our community.

As we end the year it is with sad hearts in the loss of our two dear friends and fellow optimists - Clark Cilek and Bob Scott. There were no better examples of optimism and leaders in the community. They will be greatly missed.

Sincerely,

Mike

ST. CHARLES SCHOOL DISTRICT COMMUNITY NIGHT

Community Night was held on two nights in August and was designed to allow parents and children to visit various community-group booths to see what programs they had available. The St. Charles Optimist Club participated both nights and had an opportunity to share optimism, meet members of the community and to explain our "youth-oriented" programs. Of course, membership opportunities were shared with those showing an interest in the club. Thanks to the school district for providing this service to the community.
